On Thursday, July 20, 1978 at approximately 5:10 p.m. I left my home located south of Alford's Grocery Store and drove north or toward Alexander City, Alabama.

As I passed Alford's Grocery I saw a motorcycle parked in front of the store. It was a gold colored motorcycle and to the best of my memory was parked out from the north pump between the pump and the highway. I didn't see anybody around the motorcycle or the store. It was approximately 5:15 p.m. as I drove past the store.

This statement is true and complete to the best of my memory.
